**MEMORANDUM FOR UNIT COMMANDERS AND WING STAFF**

**FROM: KSWG/CC**

**SUBJECT: Cadet Orientation Ride Policy**

1. The following policy will apply concerning information required to be in the possession of Kansas Wing Cadets, and other matters, when they are receiving cadet orientation rides.
2. It is directed that Kansas Wing Cadets receiving orientation rides, shall have, in their possession, CAPP 52-7, Cadet Orientation Flight Syllabus. Cadets who do not have Orientation Flight Record Form with them, may fly as observers; however, they will not be given credit for their desired orientation ride.
3. The Pilot-in-Command (PIC) will authenticate the specific numerical designation of the ride a cadet is receiving.
4. Pilots-in-Command will not provide any ground operation instructions with passengers, observers or orientation ride cadets, unless the PIC is a certified flight instructor.
5. This policy will remain in effect through 30 September 2008, or until superseded.
